Country: Gibraltar **Poker Review Soft Games:** Poker Time offers some soft games that go from medium to lower no-limit games. These tables take most of the ring game action, around 65% of tables. Poker Time still offers some higher limits which are more seasoned player if you are looking for some challenge. **Games:** The Free Poker Time Download software includes online games like Texas Holdem, Omaha Poker, Omaha High-Low, Seven Card Stud, Five Card Stud, and Poker Tournaments. **Room Limits:** Poker Time offers a large selection real money poker games, from micro-limits of \$0.02/\$0.04 up to high stakes games of \$100/\$200. Poker Time also offers no-limit tables, with games of \$0.01/\$0.02 blinds and \$1.00 buy-ins up to \$10/20 blinds, \$400 buy-in games. **Sit and Go Rounder Tournaments:** Poker Time offers five levels of tournaments known as the 'rounds'. Players buy-in to Round One and are eliminated until two are left, and these two players are then freerolled into Round Two, a similar arrangement but with a higher buy-in. Round Two freerolls its top two players to Round Three in the same manner as Round One to Round Two. Similarly Round Three freerolls four players to Round Four.

In Round Four five players are freerolled to Round Five. Round Five in each set is the crunch zone where the players compete for the main prizes, split among the top four players. **Tournaments:** Poker Time offers daily, weekly and monthly prized tournaments that go from \$1,200 up to \$250,000 in Guaranteed Tournaments. \$250,000 Guaranteed tournament, \$200,000 Guaranteed tournament, \$5,000 High-Roller Freeroll, \$1,000 Daily Freerolls, Mid-week Madness and Daily Guaranteed Tournaments.
